

(5) *Unpaid interest.* References to unpaid penalties in this section shall include associated unpaid interest and unpaid late payment charges.

(d) *Extension of time for filing letter of credit.* Notwithstanding any other provision of this section, upon a request from a handler, the Executive Vice President, CCC, may extend the time for filing of a required letter of credit if such an extension is considered necessary in order for the handler to have sufficient time to acquire necessary financing.

**§ 1446.404 Transfer of contracts prior to delivery.**

An approved contract, by which a handler is to purchase additional peanuts from a producer, may not be sold, traded, or assigned except as provided in this section.

(a) *Contract transfer and delivery of contracted peanuts to other handlers.* (1) If a handler is otherwise unable to perform under any contract with a producer for the purchase of additional peanuts due to conditions beyond the handler's control, the handler and the producer may agree to the delivery of the peanuts to another handler under the terms of the original contract or under modified terms except that, the price, quantity, type, segregation or farm number as shown on the original contract may not be changed. Conditions considered beyond the handler's control may include, but are not limited to, insolvency, bankruptcy, death, or destruction of warehouse facilities.

(2) A contract for additional peanuts shall not be transferred to another handler without the prior written approval of the Deputy Administrator. Such transfer shall be approved by the Deputy Administrator only if the Deputy Administrator determines that such transfer will not impair the effective operation of the peanut program.

(3) If the receiving handler:

(i) Has an existing letter of credit, such handler may increase the existing letter of credit to cover the total amount of farmers stock peanuts that is to be transferred. However, any increase must be made within 14 days after the transfer is approved, other-

wise any increased letter of credit will not be considered for purposes of determining whether an increase will be required in the next year's letter of credit because of a deficiency in the letter of credit.

(ii) Does not have an existing letter of credit, the transfer shall not be approved unless such handler secures an acceptable letter of credit to cover the amount of farmers stock peanuts that is to be transferred.

(b) *Contract transfer and transfer of delivery obligations to other producers.* If a producer is unable to fully perform the terms of a contract with a handler for the purchase of additional peanuts due to conditions beyond the producer's control or other conditions as may be prescribed by CCC, the handler and the producer or the producer's successor-in-interest may agree to a modification of the contract or to the substitution of another producer either under the original terms of the contract or under modified terms that do not change the original contract price and quantity. Conditions considered to be beyond the producer's control may include, but are not limited to, farm reconstitution in some cases (combinations and divisions), insolvency, bankruptcy, or death but do not include failure to produce the contracted amount from the planted acreage of peanuts due to natural disaster or related conditions or failure to plant sufficient acreage to produce the contracted quantity. Such modifications or transfers of contract obligations shall not be valid without the prior written approval of the Deputy Administrator. A transfer shall be approved only if the Deputy Administrator determines that such modifications or such transfer will not impair the effective operation of the peanut program.

(c) *County committee approval.* Contract modifications other than changes in producer, owner or operator, or changes permitted by this section, may not be approved by the county committee.
